SPECIAL NOTES:

We do not permit personal electronics, unless they provide ONLY music or reading capabilities. Devices that provide games, cameras, web browsing, email, social networking, WiFi, or texting capabilities will not be permitted at camp. This policy is for the safety and well-being of all campers.

The Pastafarian Pirate Carnival and Dance is STRICTLY casual and pirate or zombie costumes are encouraged. Lubbers wearin' yer fancy three-piece suits and prom dresses will be walkin' the plank.

Personal food brought to camp is limited to a single, one-gallon, plastic baggie and nothing that will leak or require refrigeration. For everyone's safety, campers must check-in food and pharmaceuticals at registration.

Bringing personal sporting equipment is encouraged, like softball gloves. Campers must check-in any gear that could potentially be a weapon (like a bow and arrow), with the quartermaster, so use can be limited to safety areas.

Parking is limited, and campers should not drive cars to camp without prior approval from the camp director.

We STRICTLY prohibit alcohol, weapons, illegal drugs, and live animals (unless required for ADA accommodation and pre-arranged with the camp). Learn more at west.campquest.org/policies.
